2. *Geriatric Management Services* at the rate of \$100 per hour (there is a 1 hour minimum for ongoing care management cases), with an initial retainer and cost deposit of \$_____. Management services include all time spent by BGS on behalf of the Client. This includes telephone calls, visits, correspondence, drive time to/from local Bayshore office, documentation, re-applications and continuation of eligibility requirements for programs identified in the written care plan, applications or other contact with the Client, family members, friends, and/or providers. The Client is also responsible for costs and out-of-pocket expenses incurred by BGS on their behalf. Management services provided by BGS are billed in six minute increments. BGS sends monthly invoices to the Client or responsible party.

While BGS strives to refer to only providers of high quality services, it makes no representation of, and does not warrant or guarantee the credentials, professional qualifications, experience, services, and/or advise of any third party. The Client is responsible for investigating and evaluating programs, providers, and is solely responsible for their charges. The Client agrees to indemnify BGS for any liability or costs arising out of third party claims, and for any costs of collections incurred by BGS, including reasonable attorney’s fees. Any person signing this agreement as a “responsible party” will be bound by its terms, and is jointly and severely liable with Client to BGS.
